Dear Mr. Bishop:

NARRATIVE

On 01/24/16, at 0402 hours, Commander Rieger and I responded to the 2100 block of Harlem Ave for a report of a hit and run crash. Upon my arrival I observed a large wheel in the roadway on the northbound lane of the 2100 block of Harlem Avenue. The caller Stanley Smreczak (m[redacted] flagged me down and said he heard a loud crash and came outside to find a tire in the roadway and a vehicle missing a tire on the 7200 block of Dickens Avenue. I observed a disabled and abandoned Hummer vehicle, Illinois registration [redacted] on the 7200 block of Dickens Ave missing a front passenger tire. While I was investigating the crash, I observed a male walking in the 2000 block alley of Harlem Avenue. I approached the male, nown known as, Florencio Herrera (m[redacted] who only spoke Spanish. Florencio had keys to the Hummer. Oak Park Officer Barrera #428 arrived on scene to translate. Florencio said he was the rear passenger of the Hummer and that his brother was driving. Florencio said he was not injured. Florencio was advised to call his brother to the scene. Shortly after, the driver of the Hummer, now known as, Jose C Herrera (m[redacted]), came back to the scene of the crash and admitted to driving. Jose said he was traveling southbound on the 2100 block of Harlem Avenue when the front passenger side wheel detached from the vehicle causing him to lose control. Jose did not recall striking anything and said he was not injured. See Commander Rieger's investigative action report for further information on the traffic crash.

[redacted] Jose said the Hummer belongs to his brother [redacted] who gave him permission to drive it. I arrested Jose for driving with no valid license and transported him to the EPPD lock up facility where I completed a fingerprint inquiry. Jose was issued citations for unsafe equipment, failure to provide information upon striking an unattended vehicle, and driving with no valid driver's license. Jose was given the notice of seizure form. Jose was released on D-bond D1158175 on 01/24/16, at 1300 hours.

On 1/24/16 at approximately 0400 hours, I responded to the 2100 block of Harlem Av for a hit/run traffic crash.

Upon arrival, I observed a parked, unoccupied purple Dodge Dakota SLT pickup truck bearing IL reg# [redacted] with damage to the driver side consistent with a side-swipe collision with a southbound vehicle. The Dodge appeared unoccupied and to have been partially pushed up on the parkway in front of 2128 Harlem Av. I saw gray plastic fragments on the roadway next to the Dodge and on the parkway leading towards a fire hydrant.

I observed the fire hydrant on the parkway in front of 2124 Harlem Av was damaged and red colored metal fragments of the hydrant were on the parkway and in the adjacent roadway. I saw gray plastic fragments on the parkway near the fire hydrant.

I observed a large tire in the northbound traffic lane in front of 2135 Harlem Av. The tire had connecting rods still attached to the wheel rim consistent with damage caused by the wheel detaching from vehicle. I was unable to move the tire due to its large size and left my squad in the roadway with emergency lights activated to alert passing motorists to the hazard.

Witness, Joseph S. Scro, approached me and related he was standing on the sidewalk in front of his residence at [redacted] smoking a cigarette when he observed a gray SUV traveling southbound Harlem Av strike the parked, unoccupied Dodge, the fire hydrant and leave the area southbound on Harlem Av.

The Dodge had all four wheels still attached. I concluded the wheel in the roadway was from the gray SUV described to have left the scene.

I saw a fresh gouge in the roadway at the accident scene leading away southbound. Ofc. Chaurize radioed she located an abandoned, gray SUV (Hummer H2 bearing IL reg# [redacted]) in the roadway at the 7200 block of Dickens Av with a missing front, passenger tire. Scro and I walked to the location where Scro positively identified the Hummer H2 as the vehicle that stuck the Dodge, the fire hydrant and left the scene. I obtained contact information for Scro and he left the scene.

I assisted Ofc. Chaurize at the 7200 block of Dickens Av. I observed the tire I found in the roadway was consistent in size and shape with the other three tires on the Hummer H2. While assisting Ofc. Chaurize, CPD unit 2514R drove up to our location whereupon the CPD officers advised me they had moved the tire in the roadway over to the curb. I advised the CPD officers the crash was an Elmwood Park incident and they left the scene.

I later walked in the roadway from the Hummer H2 back to the crash scene. I followed the gouge in the roadway from the Hummer H2 . I found the gouge in the roadway lead from the Hummer H2 all the back from to the crash scene.

I took digital pictures of the crash scene. I printed out copies of the photos and secured copies of the photographs onto a CD-R later entered into evidence.

NARRATIVE (Refer to vehicle by Unit No.)

Unit 1 was observed disabled and missing the front passenger side wheel on the 7200 block of Dickens Avenue upon r/o`s arrival to the scene. Unit 1 was unoccupied. The wheel from Unit 1 was in the roadway in the northbound lane of the 2100 block of Harlem Avenue. Grooves in the roadway from the damaged area of Unit 1 appeared to show the path of travel from Unit 1 striking Unit 2 at 2128 Harlem Avenue pushing Unit 2 onto the curb. Unit 1 then struck a fire hydrant at 2124 Harlem Avenue, and turned westbound (right) onto Dickens Avenue to its final resting place.

The driver of Unit 1 came back to the scene and stated he was traveling southbound on Harlem Avenue with his passenger, when the passenger side wheel detached from the vehicle causing him to lose control. Driver of unit 1 did not recall striking Unit 2 or the fire hydrant. The passenger of Unit 1 appeared intoxicated and did not have any more information to provide through a spanish speaking interpreting Oak Park Officer Barrera. Unit 2 had damage to the driver side and also the passenger side tires from being pushed onto the curb. Matching paint transfer from Unit 2 was found on the front grill of Unit 1.Driver of Unit 1 was arrested for driving with no valid driver`s license and failure to provide information upon striking an unattended vehicle. Driver of Unit 1 was also cited for damaging the fire hydrant. See connecting photographs.
