Re: Freedom of Information Act Request

Dear Mr. Martorana:

The Village of Elmwood Park is in receipt of your February 23, 2016, Illinois Freedom of Information Act (5 ILCS 140/1 *et seq.*) ("FOIA") request for the following records:

"Pursuant to the freedom of information act. I hereby request

1. Any and all subpoenas the village has received from May . 1 , 2013 to present."

Enclosed please find the records responsive to your FOIA request. However, please be advised that certain information in the records responsive to your FOIA request has been determined to be exempt from disclosure under FOIA. Accordingly, such information has been redacted from the records being provided.

Section 7(1)(b) of FOIA provides that "private information" is exempt from disclosure. "Private information" is defined in FOIA as, "unique identifiers, including a person's social security number, driver's license number, employee identification number, biometric identifiers, personal financial information, passwords or other access codes, medical records, home or personal telephone numbers, and personal email addresses. Private information also includes home address and personal license plates, except as otherwise provided by law or when compiled without possibility of attribution to any person." 5 ILCS 140/2(c-5). Consequently, certain unique identifiers, such as signatures, have been redacted from the records being provided.

Please be advised that the portion of your FOIA request for records that are maintained by the Village of Elmwood Park Police Department is denied pursuant to Section 3(g) of FOIA.

STORINO, RAMELLO & DURKIN

Mr. Pasquale Martorana
March 8, 2016
Page 2

Section 3(g) of FOIA provides that:

“Requests calling for all records falling within a category shall be complied with unless compliance with the request would be unduly burdensome for the complying public body and there is no way to narrow the request and the burden on the public body outweighs the public interest in the information. Before invoking this exemption, the public body shall extend to the person making the request an opportunity to confer with it in an attempt to reduce the request to manageable proportions.”

On March 1, 2016, I sent you correspondence indicating that your FOIA request was categorical in nature and that it would be unduly burdensome for the Village of Elmwood Park Police Department to comply with your FOIA request. My March 1, 2016, correspondence indicated that the Village of Elmwood Park Police Department would have to inspect every file from May 1, 2013, to the present in order to determine whether a subpoena was received for that file. In accordance with Section 3(g) of FOIA, I extended to you the opportunity to discuss this matter and attempt to reduce the scope of your FOIA request to manageable proportions. My correspondence indicated that it would be helpful if you provided the Village of Elmwood Park with detailed information, such as case numbers or defendant names, which would allow the Village of Elmwood Park Police Department to conduct a thorough search to identify and locate records responsive to your FOIA request. As of today, March 8, 2016, you have not contacted our office or the Village of Elmwood Park to reduce the scope of your FOIA request to manageable proportions. Accordingly, the portion of your FOIA request for records that are maintained by the Village of Elmwood Park Police Department is denied pursuant to Section 3(g) of FOIA.

The person responsible for the decision to deny a portion of your FOIA request is the Village of Elmwood Park Freedom of Information Officer, Gina Pesko. In accordance with Section 9(a) of FOIA, you are hereby notified that you have the right to file a Request for Review regarding the decision made by the Village of Elmwood Park Freedom of Information Officer with the Public Access Counselor at the Illinois Attorney General's Office. You can file your Request for Review with the Public Access Counselor by writing to:

Sarah Pratt
Public Access Counselor
Office of the Attorney General
500 South 2nd Street

Fax: 217-782-1396
E-mail: publicaccess@atg.state.il.us

If you choose to file a Request for Review with the Public Access Counselor, you must do so within 60 calendar days of the date of this letter. Please note that you must include a copy of your original FOIA request and this letter when filing a Request for Review with the Public Access Counselor.

You are also notified that you have the right to judicial review regarding the decision made by the Village of Elmwood Park Freedom of Information Officer pursuant to Section 11 of FOIA.

Sincerely,
