Re: Freedom of Information Act Request

Dear Ms. Fiore:

On November 18, 2016, the Village of Elmwood Park received your Illinois Freedom of Information Act (5 ILCS 140/1 *et seq.*) ("FOIA") request for the following records:

"Went to confront Arrow Body & Fender about work that was done incorrectly, there was a confrontation."

Enclosed please find the records responsive to your FOIA request. However, please be advised that certain information in the records responsive to your FOIA request has been determined to be exempt from disclosure under FOIA. Accordingly, such information has been redacted from the records being provided.

Section 7(1)(b) of FOIA provides that "private information" is exempt from disclosure. "Private information" is defined in FOIA as, "unique identifiers, including a person's social security number, driver's license number, employee identification number, biometric identifiers, personal financial information, passwords or other access codes, medical records, home or personal telephone numbers, and personal email addresses. Private information also includes home address and personal license plates, except as otherwise provided by law or when compiled without possibility of attribution to any person." 5 ILCS 140/2(c-5). Consequently, certain unique identifiers, including a driver's license number, and a home or personal telephone number, have been redacted from the records being provided.

Section 7(1)(c) of FOIA provides that, "[p]ersonal information contained within public records, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy" is exempt from disclosure. Consequently, personal information, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy, including the name of a third-party property owner, has been redacted from the records being provided.

Section 7(1)(d)(iv) of FOIA provides that, "[r]ecords in the possession of any public body created in the course of administrative enforcement proceedings, and any law enforcement or correctional agency

for law enforcement purposes” are exempt from disclosure, “but only to the extent that disclosure would: ... unavoidably disclose the identity of a confidential source, confidential information furnished only by the confidential source, or persons who file complaints with or provide information to administrative, investigative, law enforcement, or penal agencies.” Consequently, information that would reveal the identity of persons who filed complaints with or provided information to the Village of Elmwood Park Police Department has been redacted from the records being provided.

The person responsible for the decision to deny a portion of your FOIA request is the Village of Elmwood Park Freedom of Information Officer, Gina Pesko.
