Victim [REDACTED]	Offense DISORDERLY CONDUCT
----------------------	-------------------------------

THE INFORMATION BELOW IS CONFIDENTIAL-- FOR USE BY AUTHORIZED PERSONNEL ONLY

On 08/31/16, at 2125 hours, I responded to 2131 75th Court for a Neighbor Dispute call, later reclassified as a Disorderly Conduct.

I arrived at the location and received no answer at the door.

Elmwood Park CSO Tristano advised that the original caller, Naomi George (f/[REDACTED]) had arrived at EPPD to make her report. Elmwood Park Dispatchers then advised that Naomi's neighbor, [REDACTED] (f/[REDACTED]), at [REDACTED] had also called police to report the incident and wished to speak to an officer.

I advised Tristano to have Naomi remain at EPPD, and that I would speak to her after speaking to [REDACTED]

I went to [REDACTED] and spoke to [REDACTED] and her husband, [REDACTED] (m/[REDACTED])

[REDACTED] said she and [REDACTED] had been having work done on their house. Earlier, on 08/31/16, they heard Naomi outside, in her back yard, telling the workers that she walks around with a hammer, so she can defend herself against [REDACTED] and [REDACTED]. The workers left for the day, and [REDACTED] and [REDACTED] were in their living room at approximately 2015 hours. The windows at the front of the house were all open. [REDACTED] saw Naomi drive up and stop in the middle of the street, directly in front of their house. Naomi drove away, then returned moments later. Upon returning, Naomi parked her car in front of 2131 75th Court and opened the door. Naomi sat in her car, briefly, and appeared to be staring at [REDACTED] and [REDACTED] inside [REDACTED]. Naomi exited her car, and started video taping [REDACTED] and [REDACTED] opened the front door of her house, and yelled, "What the hell are you doing?" Naomi stopped video taping, took a picture, and said she was calling the police. Naomi got back into her car and drove away. She called the police to report the incident, and stated she wanted to sign a complaint against Naomi. She felt unsafe knowing that Naomi is telling people that she carries a hammer around to use against her, and that she is watching and video taping her, and her family, because of an incident between them that occurred two years ago.

[REDACTED] said he had been in the living room with [REDACTED] and saw Naomi video taping them inside the living room. He knew she was video taping because the light on her cell phone had turned on while she was pointing the phone at them.

[REDACTED] and [REDACTED] showed me video footage from their security camera on the front of their house.

The footage from the security camera shows the area directly in front of 2133 75th Court, and the sidewalk, parkway, and street in front of 2131 75th Court. It showed Naomi exiting a vehicle near in the street in front of 2133 75th Court. Naomi exited the vehicle, left the driver's door open, and can be seen using what appeared to be a cell phone. Naomi stands, facing the camera and house at 2133 75th Court, and points the cell phone at the house. The light on the cell phone turns on for several seconds, then shuts off. Naomi looks at the phone, then points it at 2133 75th Court a second time, and the light on the cell phone flashed once, as if she had just taken a picture. Naomi gets back into her car and drives away.

[REDACTED] handed me a jump drive with a copy of the video footage from the security camera on it. (See Evidence

I told █████ and █████ I was going to return to EPPD and speak with Naomi. I would call them afterwards to let them know what action was going to be taken. I advised them to avoid all contact with Naomi, and contact police if any other problems arise.

I returned to EPPD and spoke to Naomi.

Naomi said she came to EPPD because she was leaving her house, to go to "bocce," when her neighbor, █████ exited █████ and began yelling at her. █████ called her a "fucking bitch," then said, "I'll kill you." Naomi got into her car and drove to the police station to report the incident.

I asked Naomi where she had been, and where █████ had been, when █████ started yelling at her.

Naomi said she had walked out her front door and was walking to her car, when █████ opened their front door, stood on their porch, and began threatening her.

I asked Naomi if she had been video taping anything when █████ came out and yelled at her.

Naomi said she had not been video taping anything. She had only been walking out to her car.

I told Naomi that I had watched a video recording from the security camera on █████ house. I told her I had observed her park her car, exit, and begin video taping the house at 2133 75th Court. I told her that her version of the incident did not match what the video tape had shown.

Naomi said she had been driving her car, and did park in front of her house. When she exited her car, she was talking to her son on her cell phone. That's when █████ came out and started yelling at her. She had not been recording anything.

I told Naomi that she could be seen, on the video, using the phone to record and take a picture. The light for the camera on the phone could clearly be seen turning on, while she was facing █████ house.

Naomi said she had used her tablet computer to record █████ yelling at her, so she could show the police. She said she had been in her car, "going to bocce," and parked in front of her house, to speak to her son in India on the phone. She exited her car, still talking to her son, when █████ exited the front door at █████ and threatened to kill her. She recorded █████ yelling at her, then got back into her car, and drove to the police station.

I asked Naomi to show me her video footage of █████

Naomi said, "I don't have it. It's at my house, on the computer."

I asked Naomi if she could go get the video and show it to me.

Naomi said, "No. I'm going to give that to my lawyer."

I told Naomi that I had already viewed [REDACTED] video, and that the video footage shows her recording [REDACTED] house. [REDACTED] wants to sign a complaint against her for Disorderly Conduct, because Naomi was recording the inside of [REDACTED] house. I asked to see Naomi's video footage so I could refute Pam's complaint.

Naomi said, "Fine. Since you believe her, I'll show you the video."

Naomi pulled out her purse and showed me a picture of a pile of dirt and leaves, next to a fence. She said, "See. I took a picture of the garbage that they leave on my property. I did not record their house. This is what they have been doing for years."

I told Naomi that I was certain that she could not have taken that picture of the fence on [REDACTED] property, at night, from the parkway in front of her house. The picture was obviously taken from a much closer distance, and appeared to have been taken during the daytime.

I asked Naomi again to see the video and photograph she had taken of [REDACTED] while standing on the parkway at approximately 2015 hours.

Naomi said she would not show me the video because it was at her home, on the computer, and she was going to give it to her lawyer. She added that she believed I was not treating her fairly because she is Indian.

I assured Naomi that I had no issue with her being Indian, and again told her I wanted to see her video so I understood both sides of the incident.

Naomi said she was not going to show me the video. She was going to hire an attorney and give the video to him, then have a meeting with [REDACTED] and [REDACTED] to settle the matter.

I issued Naomi a CV citation for Disorderly Conduct, and signed it on behalf of [REDACTED]

Naomi refused to sign the citation.

I gave Naomi her copy of the citation and advised her to avoid contact with the residents at [REDACTED] and to call police if there are any problems in the future.

Naomi left EPPD.

At 2227 hours, 08/31/16, I called [REDACTED] and told her I had signed a CV ticket on her behalf, and gave her the hearing information. I told her I would leave a copy of the citation in her mailbox.

[REDACTED] said she hoped the citation would make Naomi stop harassing her family, and then said, "She's out in front of the house right now, screaming."

I asked Pam if she needed police at the house again.

Pam said she did not need police service.

I suggested Pam close the blinds in front of her house and avoid all contact with Naomi. I told Pam to call the police if any problems arise, and not become confrontational with Naomi.

Pam said she would not make any contact with Naomi.

I ended the phone call with Pam (total elapsed time: 2:35).

Immediately after hanging up with Pam, Elmwood Park Dispatch advised that Naomi called 9-1-1 and said her neighbors were outside threatening her, the involved parties were separated, and Naomi wanted to speak to an officer.

I called Naomi's phone (708-452-5809) and received no answer.

Elmwood Park Dispatch advised that Naomi called back again, saying the neighbors were back outside, threatening her.

I responded to 2131 75th Court. No one was outside upon arrival, and there was no noise or sign of a disturbance. The blinds at 2133 75th Court were all shut.

I spoke to Naomi.

Naomi said she left the police station and drove home. She walked out her front door to check her mail, and Pam was standing on the front steps at 2133 75th Court. Pam immediately said, "I'll take care of you. I'll kill you." She immediately dialed 9-1-1 to report the incident.

I asked Naomi if she had said anything to Pam, and if Pam had made any additional threats.

Naomi said she had said nothing to Pam. She had only been checking her mail, and Pam came out her front door saying she would kill her.

I asked Naomi if she had called police right when the incident happened, or if there had been a delay.

Naomi said she had called 9-1-1 right when Pam started yelling at her, and she had had her house phone in her hand while checking the mail.

I asked Naomi if her phone had a record of what time she had called 9-1-1, or if she knew what time the incident with Pam had happened.

Naomi checked her phone, and said there was no record of her outgoing phone call. She said she believed it

was 2230 hours, when she hung up the phone with the dispatcher. Naomi asked why I was concerned about what time she made the phone call.

I told Naomi that I was trying to determine the time frame of the incident, because I had been on the phone with Pam when Naomi had called 9-1-1.

Naomi said, "I called 9-1-1 right away, and as soon as I called, she (Pam) ran inside and called you."

Naomi said she wanted to add Pam`s threat to the report, in case anything happened to her.

I told Naomi I would have officers make extra checks at her house throughout the night.

I left Naomi and returned to EPPD.

I checked the call information. EP Dispatch added a note on the call at 2230 hours, stating Naomi had called about the threat. It appeared to me that Naomi had called 9-1-1 to report Pam threatening her while I had been on the phone with Pam.

I entered the jump drive containing the video from 2133 75th Court into Evidence Inventory.

Notes: [REDACTED] alleged her neighbors to the north made insulting comments to her as she entered the alley and she wanted one of the females arrested for an assault that occurred two years ago. We spoke with three persons from different neighboring residences in the garage to the north who told us they did not initiate any contact with [REDACTED] and were polite and respectful to us. One female has a case pending against [REDACTED] (denied she was charged) which i supplied [REDACTED] the court info for. [REDACTED] was verbally uncooperative with us and told us she would contact politicians. She was told to not contact her neighbors any further. upon return after second call, [REDACTED] again spoke of politicians and had no valid reason for calling 9-1-1. she told us she would speak with deputy chief tony delsanto. she was warned of both false report to 9-1-1 as well as intimidation charges. we advised her call the police only if a legitimate reason exists for our response. as we walked to our cars, [REDACTED] alleged young females two houses to the north also caused problems. [REDACTED] was told not to start any problems with the females either. We spoke with resident of [REDACTED] who stated neighbor [REDACTED] was in [REDACTED] backyard screaming loudly "that fucking bitch next door" and "that old lady upstairs" among other profanities. [REDACTED] stated she believed the words were directed at her and her elderly mother since she has had issues with [REDACTED]. She stated she observed [REDACTED] screaming in [REDACTED] backyard through the open windows of her house. [REDACTED] and her husband stated this shouting occurs every day multiple times a day. They stated other neighbors have also become targets of [REDACTED] unreasonable behavior and recordings, as they stated [REDACTED] often is outside recording people while yelling at them. [REDACTED] stated [REDACTED] behavior is affecting their quality of life as they cannot enjoy peace inside or by their home. She stated police have been called regarding [REDACTED] multiple times and she is a complainant on a local ordinance citation along with at least one neighbor.
