THE INFORMATION BELOW IS CONFIDENTIAL - FOR USE BY AUTHORIZED PERSONNEL ONLY

On 09/27/2015 at approximately 0111 hours I responded to a call for an auto accident at 2722 N 74th Ave. Upon arrival, I observed a male subject pushing a vehicle bearing IL REG [REDACTED] to the side of the street.

I made contact with the subject who provided me with an IL ID card, and I identified him as Nicholas J Catallo (M [REDACTED]). Catallo said he was driving southbound on 74th ave when he was trying to grab his cellular phone and then struck a parked vehicle. Catallo said his license should be valid now because he just got SR-22 insurance on his vehicle.

Commander Rieger arrived on scene.

[REDACTED]

While speaking to Catallo, I observed an odor of an alcoholic based beverage coming from his breath. I observed Catallo to have a flushed face and watery eyes.

Catallo was placed in to custody at 0121 hours.

I placed Catallo in to handcuffs which were double locked and checked for fit. I placed Catallo in the back seat of my squad Unit 342 for transport.

Commander Rieger was approached by a female subject who he identified as Genevieve Zawadzki (F [REDACTED]) who lives at [REDACTED]. Zawadzki told Commander Rieger she observed Catallo take a bag from his vehicle and walk in between two houses after he was told by a resident the Police were called. Zawadzki said she saw Catallo empty the contents of the bag in between the two houses, but was unsure of what the contents were.

I went to the residence of 2718 74th Ave where Zawadzki said Catallo went with his bag and recovered two empty bottles of Vodka.

Catallo admitted the bottles belonged to him, and he took them out of his vehicle.

Commander Rieger photographed the bottles at the location (see connecting).

I transported Catallo to the Public Safety building for processing.

While in the Elmwood Park Lock-Up, I still was able to smell the odor of an alcoholic based beverage coming from his breath. Catallo said he wanted to conduct field sobriety tests when I asked.

HGN

Catallo removed his glasses and stated he was not wearing contacts. I explained the test to Catallo and he said he understood.

I observed equal pupil size, equal tracking, and I did not observe resting nystagmus.

After conducting the test, I observed a lack of smooth pursuit in both eyes, and distinct and sustained nystagmus at maximum deviation.

I observed 4 out of 6 clues of impairment.

Walk and Turn

I explained the test to Catallo and he stated he understood. Catallo said the only physical limitation he had was his weight. I told Catallo to do the best he could and I will take his weight in to consideration for the results of the test.

While conducting the test, I observed Catallo unable to maintain his balance while listening to instructions, not touch heel to toe on multiple steps, and lose his balance while walking.

I observed 3 out of 8 clues of impairment.

One Leg Stand

I explained the test to Catallo and he stated he understood.

I observed Catallo place his foot down on multiple occasions while conducting the test. Catallo said his weight was bothering him from completing the test.

I ended the test.

Catallo agreed to perform a PBT test which gave a reading of .108.

I read Catallo the Warning To Motorist Verbatim from a pre-printed form at 0208 hours and began my observation period.

Officer Giovenco arrived in the Elmwood Park Lock-Up and performed a breath analysis using the EC/IR-II serial # 012372 which gave a reading of .098 BAC.

The vehicle was seized pursuant to EPMC-3280.

Catallo was processed according to Elmwood Park Police Procedure, given copies of his tickets and seizure paperwork, and bonded out bond I-8231000 at 0500 hours.

Nothing further at this time.
