ELMWOOD PARK, IL 60707

Dear Water Customer:

It's time to change the AMR (Automatic Meter Reading) device attached to the water meter for your property at 2209 78TH AVE. In an overall effort to better serve our residents, the Village of Elmwood Park has implemented this replacement program as part of our ongoing water meter maintenance program. All water meter AMR devices in the Village, which were installed eleven years ago, now need to be replaced. Your device is included in the area of the Village being replaced this month.

This portion of the project is scheduled for completion within the next six weeks. Residents are requested to call the Account Manager for the replacement project, **M.E. Simpson Company, at (Toll Free 1-888-252-1521)** to set up an appointment to replace the AMR device. Appointments may be made for Tuesday through Saturday from 8:00 a.m. to 4:00 p.m. and Tuesday & Thursday evenings from 4:00 p.m. to 6:00 p.m... Residents are requested to make appointments upon receipt of this letter. The replacement is expected to take less than half an hour.

Your AMR device is likely mounted several feet above your water meter. If your meter is in your basement or crawl space, the AMR device will be located up in or near the floor joists or ceiling. If your water meter is located above ground in a closet or utility room the AMR device is likely located just above the water meter. As the installers from Calumet City Plumbing will need to access your water meter, as well as your AMR device, it's very important that you make both units accessible.

Each Calumet City Plumbing representative will present an Elmwood Park identification card to residents before asking to enter the home. **Do not admit anyone into your home that does not have a picture identification card.** If you are not sure whether the individual works for Calumet City Plumbing, you may call M.E. Simpson Company at (888) 252-1521 to verify the installer's name and installer number.

Water customers will not be billed for the AMR replacement. The Village will pay the cost of the new device and the installation.

Please call now for an appointment.
M.E. Simpson Company, at 1-888-252-1521.
