Re: Freedom of Information Act Request

Dear River Elm Properties:

On September 8, 2017, the Village of Elmwood Park received your Freedom of Information Act (5 ILCS 140/1 *et seq.*) ("FOIA") request for the following records:

"...any police reports for 2445 N. 77th Ct. for the month of August 2017."

Your request has been granted in part and denied in part. Enclosed are records responsive to your FOIA request. However, please be advised that certain information in the records being provided has been determined to be exempt from disclosure under FOIA, and that information has been redacted from the records being provided.

Section 7 (1) (b) of FOIA provides that "private information" is exempt from disclosure. "Private information" is defined in FOIA as, "unique identifiers, including a person's social security number, driver's license number, employee identification number, biometric identifiers, personal financial information, passwords or other access codes, medical records, home or personal telephone numbers, and personal email addresses. Private information also includes home address and personal license plates, except as otherwise provided by law or when compiled without possibility of attribution to any person." 5 ILCS 140/2(c-5). Consequently, certain unique identifiers, such as, home or personal telephone numbers and home addresses have been redacted from the records being provided.

Section 7 (1) (c) of FOIA provides that, "[p]ersonal information contained within public records, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy ..." is exempt from disclosure. Consequently, birthdates, an individual's race, a victim's name and identifying information, third party's name and identifying information, a minor's name and identifying information, and other personal information, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy, have been redacted from the records being provided.

Section 7 (1) (d) (iv) of FOIA provides that, “[r]ecords in the possession of any public body created in the course of administrative enforcement proceedings, and any law enforcement or correctional agency for law enforcement purposes...” are exempt from disclosure, “but only to the extent that disclosure would...unavoidably disclose the identity of a confidential source, confidential information furnished only by the confidential source, or persons who file complaints with or provide information to administrative, investigative, law enforcement, or penal agencies...” Consequently, information that would reveal the identity of persons who have filed complaints with or who have provided information to the Village of Elmwood Park Police Department has been redacted from the records being provided.

The person responsible for the decision to deny a portion of your FOIA request is the Village of Elmwood Park Freedom of Information Officer, Gina Pesko. In accordance with Section 9(a) of FOIA, you are hereby notified that you have the right to file a Request for Review regarding the decision made by the Village of Elmwood Park Freedom of Information Officer with the Public Access Counselor at the Illinois Attorney General’s Office. You can file your Request for Review with the Public Access Counselor by writing to:

Office of the Attorney General
500 South 2nd Street

You are also notified that you have the right to judicial review regarding the decision made by the Village of Elmwood Park Freedom of Information Officer pursuant to Section 11 of FOIA.
