Dear Mr. Particelli:

On April 6, 2018, the Village of Elmwood Park received your Freedom of Information Act (5 ILCS 140/1 et seq.) ("FOIA") request for the following records:

"On or about the morning on 4/6/2018, the police reported to an incident at 2225 N. 73rd Ave, Elmwood Park, IL. At which time officers gained entry and investigated a disturbance originating from the (Basement/Garden) Unit. Please send Police Report (long version) and/or incidendent report generated..."

Your request has been granted in part and denied in part. Enclosed are records responsive to your FOIA request. However, please be advised that certain information in the records being provided has been determined to be exempt from disclosure under FOIA, and that information has been redacted from the records being provided.

Section 7 (1) (b) of FOIA provides that "private information" is exempt from disclosure. "Private information" is defined in FOIA as, "unique identifiers, including a person's social security number, driver's license number, employee identification number, biometric identifiers, personal financial information, passwords or other access codes, medical records, home or personal telephone numbers, and personal email addresses. Private information also includes home address and personal license plates, except as otherwise provided by law or when compiled without possibility of attribution to any person." 5 ILCS 140/2(c-5). Consequently, certain unique identifiers such as driver's license numbers, home or personal telephone numbers, and home addresses have been redacted from the records being provided.

Section 7 (1) (c) of FOIA provides that, "[p]ersonal information contained within public records, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy ..." is exempt from disclosure. Consequently, birthdates, an individual's race, a minor's name and identifying

information, a victim's name and identifying information, the name and identifying information of suspects who were never arrested, third party's name and identifying information, and other personal information, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy, have been reducted from the records being provided.

The person responsible for the decision to deny a portion of your FOIA request is the Village of Elmwood Park Freedom of Information Officer, Gina Pesko. In accordance with Section 9(a) of FOIA, you are hereby notified that you have the right to file a Request for Review regarding the decision made by the Village of Elmwood Park Freedom of Information Officer with the Public Access Counselor at the Illinois Attorney General's Office. On 04/05/2018 at 2231 hours, Ofc. LaPenna and I were dispatched to 2225 Apt GW 73rd Ave for a domestic disturbance.

While en-route to 2225 73rd Ave, WESCOM advised us via radio and MDT "NEIGHBOR HEARS WOMAN SCREAMING AT A MAN TO STOP HITTING HER."

Upon arrival, Ofc. LaPenna and I were walking to the front door, we were able to hear a male and female yelling from the basement unit. I rang the door bell to the basement unit multiple times. However the yelling continued and no one was answering the door. I began to ring doorbells to all the units within the building and was able to gain entrance by an uninvolved resident opening the front door.

Ofc. LaPenna and I then relocated to the downstairs unit, prior to making contact with the residents, we were able to hear a male yelling within the unit.

I proceeded to knock on the door and both Ofc. LaPenna and I identified ourselves as "Police" numerous times.

The following is in summary:

The male inside asked who was at the door. We both identified ourselves as Police again. Ofc. LaPenna proceeded to inform the male subject through the door that we received a called to this address for a domestic disturbance and we needed to speak with him and the other occupant to ensure everything inside is okay. The male, who was yelling at us, stated everything is fine and we do not need to be here. I attempted to explain to the male that we just needed to speak with him, however the male kept speaking over me and would not let me finish talking. The male continued to tell us to leave the apartment unit and to "mind your own business."

The male then stated "You guys ain't gettin' in here without a warrant."

We both advised the male that we want to speak with him and the female just to ensure everyone is alright then we will leave. The male continued to dismiss us and stated "Go away, I'm watching TV."

Ofc. LaPenna asked the female through the door if she was alight. There was a brief silence, then the female, whose voice was shaky and I heard what sounded like sniffles coming from inside, said "yes." Ofc. LaPenna then asked the female if she could open the door for us. Once asked, the male began to speak quietly within the unit, however I was unable to understand what the male said. After a brief moment, the female said "No." I asked the female if the male told her to say no. Another moment of hesitancy had passed and she stated he did not.

The male then stated "everything is fine, you guys aint gettin in here, none of this concerns you it is personal and I am not letting you in."

Cmdr. Rieger and Sgt. Pankey were notified of the situation.

Due to the violence that is associated with domestic disturbances, the uncooperation of the male, subject, the audible yelling Ofc. LaPenna and I heard coming from the unit the hesitancy and fear in the females voice through the door, the sound of crying the female was emitting Ofc. LaPenna and I were authorized to force entry into the apartment unit.

THE INFORMATION BELOW IS CONFIDENTIAL - FOR USE BY AUTHORIZED PERSONNEL ONLY

We advised the occupant to open the door or else we will force entry. The occupant still refused to open the door. Ofc. LaPenna and I then both announced we were making entry. I proceeded to kick in the front door with my right leg. Upon entry, I observed a male subject sitting on a couch and a female sitting on a recliner holding a baby on the other side of the room. The female subject appeared to have been crying. The female possessed blood shot watery eyes and was sniffling.

For our safety, Ofc. LaPenna and I immediately detained the male subject by placing handcuffs on his wrists, checking for fit and double locking.

I proceeded to interview the subject, now identified as a line of informed me in summary him and his girlfriend, now identified as a line operate a business together. The two were having a discussion over the business, however due to a personal issue with their relationship that the refused to discuss, a stated the discussion escalated into an argument. Stated "It's personal and you don't need to know." I inquired with the lift the two were physical with eachother, a stated they were not.

I then inquired with a second as to why he refused to open the door. Stated "Cause you guys always shoot first, I don't know who is at my door, I gotta look out for myself ya know?" I informed that due to the violent behavior that is associated with domestic disputes and his uncooperation we forced entry to ensure everyone within the unit was safe.

I did not observe any physical injuries on

I inquired with Ofc. LaPenna in regards to his conversation with the conversation with t

No visible injuries were observed on the or the or

Cmdr. Rieger and Sgt. Pankey arrived on scene.

Ofc. LaPenna proceeded to photograph the damaged door and the unit.

While in the apartment unit Ofc. LaPenna and I observed an odor of fecal matter, soiled diapers on the floor, garbage scattered within the unit, no baby crib and one mattress, which is used for all three occupants.

Both parties stated they were okay. We advised both parties to stay away from eachother for the night.

I removed the handcuffs from wrists. Once removed, informed Cmdr. Rieger, Ofc. LaPenna and I he is going to obtain a lawyer for the damaged door and stated all police are racist and the only reason we forced entry into his unit is because we wanted to use force on him.

THE INFORMATION BELOW IS CONFIDENTIAL - FOR USE BY AUTHORIZED PERSONNEL ONLY

I relocated to the police station.

Due to the living and sanitation conditions, I contacted DCFS via phone at approximately 0240 hours. However, I was unable to speak to an investigator and was advised I will receive a call at a later time.

At approximatly 0320 hours I recieved a callback and spoke to DCFS investigation and I informed of the domestic disturbance and the sanitation issues of the apartment. Stated DCFS is going to investigate it and provided me with report number 13543605.

I proceeded to fill out a CANTS 5 report and faxed it to DCFS upon completion.

A recording of the 911 call and dispatch had been copied to a CD and a copy of the disc will be placed in evidence.

Nothing further at this time.
