Re: Freedom of Information Act Request

Dear Mr. Meadows:

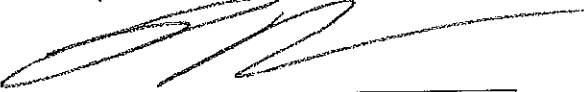

On April 24, 2018, the Village of Elmwood Park received your Freedom of Information Act (5 ILCS 140/1 *et seq.*) ("FOIA") request for the following records:

“Records sufficient to show the following information for every instance of a citation issued since July 30, 2016, for violations of 720 ILCS 550/4 (a) or 720 ILCS 600/3.5 or equivalent offense (i.e. local ordinance or civil law citations for violations of the Cannabis Control Act for possession of cannabis, marijuana-related drug paraphernalia: the citation number, the time, date, location of offense, and the race/age/sex/ZIP code of residence of each cited offender.”

Your request has been granted. Please recall from our previous telephone conversation that the Village does not keep track of race, age, and sex on its local ordinance tickets and that it does not write state violations for the above-referenced violations. In addition, you agreed that we could eliminate citation numbers to protect the identity of minors issued citations. Enclosed is the record responsive to your FOIA request.

Sincerely,

STORINO, RAMELLO & DURKIN
Attorneys for the Village of Elmwood Park
