

DATE: September 4, 2014

TO: Affected Residents of Elmwood Park  
(Barry Ave)

FROM: Orion Galey

SUBJECT: Flood Mitigation Project

On behalf of the Village of Elmwood Park, I would like to take this opportunity to inform you that Nicor Gas has completed the gas main relocation on 80<sup>th</sup> Avenue. The Contractor, Cerniglia Co., is now scheduled to begin installation of the new storm sewer on your street. Once the storm sewer is installed, the Contractor will begin restoration of the street including new curb and gutter, asphalt pavement and parkway restoration. We anticipate substantial completion of this work by early October.

During times of construction, no parking will be permitted on the street between the hours of 7:00am and 6:00pm. No parking signs will be posted today.

We apologize for the inconvenience this project has caused and will do everything we can to expedite the completion of your street. If you have any questions, please contact me 847-833-0210.
