Dear Mr. Frantz,

The Village of Elmwood Park is in receipt of your February 27th Freedom of Information Act request (5 ILCS 140/1 et seq.) ("FOIA") for the following records:

"Issued Building Permit Report...permits for both New & Remodel (Construction value of permit \$100,000 & up for remodel)...dates from February 1, 2019 to February 28, 2019"

Your request has been granted in part and denied in part. Enclosed are records responsive to your FOIA request. However, please be advised that certain information in the records being provided has been determined to be exempt from disclosure under FOIA, and that information has been redacted from the records being provided.

Section 7 (1) (b) of FOIA provides that "private information" is exempt from disclosure. "Private information" is defined in FOIA as, "unique identifiers, including a person's social security number, driver's license number, employee identification number, biometric identifiers, personal financial information, passwords or other access codes, medical records, home or personal telephone numbers, and personal email addresses. Private information also includes home address and personal license plates, except as otherwise provided by law or when compiled without possibility of attribution to any person." 5 ILCS (140/2(c-5). Consequently, certain unique identifiers such as signatures, driver's license numbers, home or personal telephone numbers, and personal license plates have been redacted from the records being provided.
