However, please be advised that certain information in the records being provided has been determined to be exempt from disclosure under FOIA, and that information has been redacted from the records being provided.

Section 7 (1) (b) of FOIA provides that "private information" is exempt from disclosure. "Private information" is defined in FOIA as, "unique identifiers, including a person's social security number, driver's license number, employee identification number, biometric identifiers, personal financial information, passwords or other access codes, medical records, home or personal telephone numbers, and personal email addresses. Private information also includes home address and personal license plates, except as otherwise provided by law or when compiled without possibility of attribution to any person." 5 ILCS (140/2(c-5). Consequently, certain unique identifiers such as signatures, driver's license numbers, home or personal telephone numbers, and personal license plates have been redacted from the records being provided.

Section 7 (1) (d) (iv) of FOIA provides that "records in the possession of any public body created in the courts of administrative enforcement proceedings, and any law enforcement or correctional agency for law enforcement purposes..." are exempt from disclosure, "but only to the extent that disclosure would...unavoidably disclose the identity of a confidential source, confidential information furnished only by the confidential source, or persons who file complaints with or provide information to administrative, investigative, law enforcement, or penal agencies..." Consequently, information that would reveal the identity of persons who have filed complaints with

or who have provided information to the Village of Elmwood Park Police Department has been redacted from the records being provided.
