**Re: Freedom of Information Act Request**

Dear Mr. Hubitsky:

On December 2, 2020, the Village of Elmwood Park received your four separate Freedom of Information Act (5 ILCS 140/1 *et seq.*) ("FOIA") requests for the following records:

"Noise complaint at 7545 W. Belden #6 on Friday, November 27..."

Noise complaint at 7545 W. Belden #5 Friday April 24, 2020...

Noise complaint at 7545 W. Belden #5 on January 5, 2020...

Police report #20-2535..."

Your request has been granted in part and denied in part. Enclosed are records responsive to your FOIA request. However, please be advised that certain information in the records being provided has been determined to be exempt from disclosure under FOIA, and that information has been redacted from the records being provided.

Section 7 (1) (b) of FOIA provides that "private information" is exempt from disclosure. "Private information" is defined in FOIA as, "unique identifiers, including a person's social security number, driver's license number, employee identification number, biometric identifiers, personal financial information, passwords or other access codes, medical records, home or personal telephone numbers, and personal email addresses. Private information also includes

home address and personal license plates, except as otherwise provided by law or when compiled without possibility of attribution to any person.” 5 ILCS 140/2 (c-5). Consequently, certain unique identifiers such as driver’s license numbers, home or personal telephone numbers, home addresses, personal license plates, and signatures have been redacted from the records being provided.

Section 7 (1) (c) of FOIA provides that, “[p]ersonal information contained within public records, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy ...” is exempt from disclosure. Consequently, birthdates, an individual’s race, a victim’s name and identifying information, the names and identifying information of suspects who were never arrested, third party’s name and identifying information, a minor’s name and identifying information, and other personal information, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy, have been redacted from the records being provided.

Section 7 (1) (d) (iv) of FOIA provides that, “[r]ecords in the possession of any public body created in the course of administrative enforcement proceedings, and any law enforcement or correctional agency for law enforcement purposes...” are exempt from disclosure, “but only to the extent that disclosure would...unavoidably disclose the identity of a confidential source, confidential information furnished only by the confidential source, or persons who file complaints with or provide information to administrative, investigative, law enforcement, or penal agencies...” Consequently, information that would reveal the identity of persons who have filed complaints with or who have provided information to the Village of Elmwood Park Police Department has been redacted from the records being provided.

The person responsible for the decision to deny a portion of your FOIA request is the Village of Elmwood Park Freedom of Information Officer, Gina Pesko. In accordance with Section 9(a) of FOIA, you are hereby notified that you have the right to file a Request for Review regarding the decision made by the Village of Elmwood Park Freedom of Information Officer with the Public Access Counselor at the Illinois Attorney General’s Office. ## REPORTING OFFICER NARRATIVE

Elmwood Park Police Department

OCA 20-02535
Date / Time Reported Sun 11/29/2020 20:22

Victim	Offense <b>MEET COMPLAINANT</b>	
--------	------------------------------------	--

THE INFORMATION BELOW IS CONFIDENTIAL - FOR USE BY AUTHORIZED PERSONNEL ONLY

On 11/29/20 at approximately 1920 hrs, I was advised by desk Aux. Ofc. Exner that a female known as [REDACTED] was in the station lobby and requested to speak with Cmdr. Busch. After being advised Cmdr. Busch was not working, she requested to speak with me.

I spoke with [REDACTED] in the lobby for an extended period of time (hence the time difference on the time of the report). She stated in summary, and not verbatim, that she has had problems with the neighbors in [REDACTED] for quite some time. She told me our police department has been involved in the past regarding responding to calls and officers being present at the building association meeting. She stated that after she recently approached Ofc. Alequin in his private vehicle nearby the police station while walking, and subsequently realizing this was improper, she decided she wished to document several matters which took place with her neighbor.

[REDACTED] stated she kept notes and copies for everything and related that on 11/15/19, she was approached by [REDACTED] on the rear stairs of the building and blocked in such a way that she could not go up or down. She stated [REDACTED] yelled at her about complainant about noise to the association. [REDACTED] stated she attempted to speak with [REDACTED] about the noise, asked her to turn the bass down and offered to exchange phone numbers. She stated [REDACTED] declined. [REDACTED] stated she further explained she had high blood pressure, anxiety and PTSD. She stated she now believed [REDACTED] was causing problems for her because she revealed that information to her. She stated that she told [REDACTED] she did not want the police involved and [REDACTED] told her to go ahead and call the police and walked away.

[REDACTED] further stated that on 12/10/19 she was on the street on Belden Ave by her vehicle when she observed [REDACTED] driving her Lexus vehicle and appeared to turn in her direction when driving by.

[REDACTED] further stated that sometime in the last several months, during the Fall, she was walking by Fullerton Ave/75th Ave after dark. She stated she was at the intersection crosswalk when a vehicle stopped. She stated the vehicle remained stopped so she entered and began crossing the street on the crosswalk. She stated the vehicle then began driving while she was still crossing near and she believed this was on purpose. She stated she observed the vehicle to be a Lexus with the first several digits of the license plate that she observed to be the same as [REDACTED] Lexus.

[REDACTED] further related that on 10/24/20, there was a condo association board meeting. She stated on the next day on 10/25/20 at approximately 1630 hrs, she was on the street about to enter her vehicle, while [REDACTED] was also outside and began staring at her. She stated nothing was said but she felt threatened by it. She stated she entered her vehicle and left.

[REDACTED] also referred to the prior noise problems. I explained she could wish for a citation to be issued for a noise complaint with herself being the complainant and to come to court to explain her case.

She was provided with this report number.

Nothing further at this time.

Victim	Offense <b>NOISE PROHIBITION</b>	OCA 20-02527 Date / Time Reported Fri 11/27/2020 23:06
--------	-------------------------------------	---

THE INFORMATION BELOW IS CONFIDENTIAL - FOR USE BY AUTHORIZED PERSONNEL ONLY

On 11-27-20, at 2306 hours, I responded to 7545 Belden Ave Unit 6, for a noise complaint.

Upon arrival, I can hear people shouting from a unit (number 6) from outside. I entered the building and the noise was much louder.

I made my way to unit 6, where the noise was coming from. I knocked on the door for approximately 15 minutes. I can hear children running around and screaming. I can hear multiple adults inside the unit also talking loudly. A child from inside the unit tried telling others inside the unit that someone has been knocking at the door. An adult, who sounded like a male, said "fuck who's at the door." I continued to knock for a few more minutes, with negative results.

I was returning to my squad car when I was approached by a female subject, who identified herself as [REDACTED]. [REDACTED] stated she was the caller. [REDACTED] told me she was trying to avoid calling the police, however, she knocked on their door, spoke with them approximately 1 hour prior and they are refusing to keep it down. [REDACTED] stated they constantly make noise and she already advised the HOA.

I observed the name on the mailbox for unit 6 displayed '[REDACTED]'

I returned to my squad. I observed an SUV bearing IL REG [REDACTED]. The registered owner was [REDACTED] of [REDACTED]. I cited [REDACTED] I put the citation on [REDACTED] mailbox.

Nothing further.
