**Re: Freedom of Information Act Request**

Dear Mr. Hubitsky:

On December 2, 2020, the Village of Elmwood Park received your four separate Freedom of Information Act (5 ILCS 140/1 *et seq.*) ("FOIA") requests for the following records:

"Every incident the police was called at 7547 W. Belden Ave Elmwood Park from 2014-2019"

Your request has been granted in part and denied in part. Enclosed are records responsive to your FOIA request. However, please be advised that certain information in the records being provided has been determined to be exempt from disclosure under FOIA, and that information has been redacted from the records being provided.

Section 7 (1) (b) of FOIA provides that "private information" is exempt from disclosure. "Private information" is defined in FOIA as, "unique identifiers, including a person's social security number, driver's license number, employee identification number, biometric identifiers, personal financial information, passwords or other access codes, medical records, home or personal telephone numbers, and personal email addresses. Private information also includes home address and personal license plates, except as otherwise provided by law or when compiled without possibility of attribution to any person." 5 ILCS 140/2 (c-5). Consequently, certain unique identifiers such as driver's license numbers, home or personal telephone numbers, home addresses, and personal license plates have been redacted from the records being provided.

Section 7 (1) (c) of FOIA provides that, "[p]ersonal information contained within public records, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy ..." is exempt from

disclosure. Consequently, birthdates, an individual's race, a victim's name and identifying information, the names and identifying information of suspects who were never arrested, third party's name and identifying information, a minor's name and identifying information, and other personal information, the disclosure of which would constitute a clearly unwarranted invasion of personal privacy, have been redacted from the records being provided.

Section 7 (1) (d) (iv) of FOIA provides that, "[r]ecords in the possession of any public body created in the course of administrative enforcement proceedings, and any law enforcement or correctional agency for law enforcement purposes..." are exempt from disclosure, "but only to the extent that disclosure would...unavoidably disclose the identity of a confidential source, confidential information furnished only by the confidential source, or persons who file complaints with or provide information to administrative, investigative, law enforcement, or penal agencies..." Consequently, information that would reveal the identity of persons who have filed complaints with or who have provided information to the Village of Elmwood Park Police Department has been redacted from the records being provided.

The person responsible for the decision to deny a portion of your FOIA request is the Village of Elmwood Park Freedom of Information Officer, Gina Pesko. In accordance with Section 9(a) of FOIA, you are hereby notified that you have the right to file a Request for Review regarding the decision made by the Village of Elmwood Park Freedom of Information Officer with the Public Access Counselor at the Illinois Attorney General's Office. You can file your Request for Review with the Public Access Counselor by writing to:

Sarah Pratt  
Public Access Counselor  
Office of the Attorney General  
500 South 2<sup>nd</sup> Street  
Springfield, Illinois 62706  
Fax: 217-782-1396  
E-mail: [publicaccess@atg.state.il.us](mailto:publicaccess@atg.state.il.us)

If you choose to file a Request for Review with the Public Access Counselor, you must do so within 60 calendar days of the date of this letter. Please note that you must include a copy of your original FOIA request and this letter when filing a Request for Review with the Public Access Counselor.

You are also notified that you have the right to judicial review regarding the decision made by the Village of Elmwood Park Freedom of Information Officer pursuant to Section 11 of FOIA.

On 07/27/17 at 2007 hours I was dispatched to 7547 Belden for a meet complainant. Upon arrival I spoke with Marisol Ramos, F/ [REDACTED] whos stated she observed on the Elmwood Park Watch Facebook, a photo of a the M/W, masterbating in someone's yard.

Ramos believes she has seen a subject matching the description of the subject illustrated. Ramos said she has seen the subject walking on the 2200 and 2300 blocks of 76th Ave from 0745 and 0820 hours, and 1750 and 1810 hours. Ramos recognized the subjects glasses, hair style and facial structure.

I told Ramos to not make contact with the subject at any time and to contact the Police immediately if she is to see him again in the future. She agreed to do so.
